MISSION: "The objective of the Society is to retain and promote the Italian language, culture, and heritage; to sponsor Italian-American cultural activities within the Society and community; to represent and advocate the interests of Italian-Americans; improve the relationship between the people of Italy and the United States; and to perform charitable works."

MESSAGGIO DEL PRESIDENTE

Cari Amici,

Happy New Year and welcome to 2015 Hope to see you all on Sunday

We have made some changes in the operation of the board for 2015

First the board meeting will now be done on a quarterly base instead of monthly

Second newsletters will be posted on a quarterly basis starting this month. This was done because we are all very active people and with the board being so few people. I will still be available for any questions or information needed but please don't call me with questions that are posted on the website

We pay good money and need to utilize this medium. I will also attempt to create and maintain a Facebook page with current information

A reminder for all it is that time of the year to pay your dues, dues for family is \$30 and single is \$15

Our new website is up and running. The address is

<http://www.italianamericansocietyoftulsa.com>

Always check the website calendar for upcoming events

If you wish to have your voice heard at the meeting, let me know 3 DAYS before the meeting, and I will add you to the agenda. Baci candy sayings from Phyllis Gargiulo

Wherever I look, I see only my love

A benefit of friendship is knowing whom to tell secrets to.

I did not love you in fun, I never left you in solitude.

Everything has changed, yet our love remains the same.

We were together, all else has long been forgotten by me.

Sweet Love, say where, how and when: what do you want of me!

I have and I love. Why do I do this? I do not know.

A virtuous man is sure to have good friends.

Human love transcends others through; caress and kiss.

Passion sees the beloved as someone to be possessed.

The kiss is my love that binds me to you.

The worst solitude is to have no real friendships.

When he appears, she opens out like a flower in the sun.

Come back soon, or it will be winter in May!

Friends' things belong to us all.
